BLM seasonal road closures begin Dec. 1 in Grand Junction area

GRAND JUNCTION, Colo.—Seasonal road closures on Bureau of Land Management Lands are in effect in multiple locations throughout Grand Junction Field Office to protect critical big-game winter range and other sensitive areas and to prevent road damage.

Annual road closures to motorized vehicles begin Dec. 1 and continue through April 30 at the Beehive, Chalk Mountain, Grand Mesa Slopes, Lands End, Big Salt Wash, Coal Gulch and Blue Mesa. The Coal Canyon Road in the Little Book Cliffs Wild Horse Herd Management Area is closed to motorized use from Dec. 1 through May 31.

Maps of the closed roads are available at: <http://www.blm.gov/co/st/en/fo/gjfo.html>

These areas will be open to non-motorized recreation such as hiking and horseback riding. Some roads are gated and others are marked with signs. For more information contact BLM Wildlife Biologist Heidi Plank at 970-244-3012.
